

6th Grade Math

2nd & 3rd
Period

Ms. Karla Miller

Phone: 406-324-1029 email: kamiller@helenaschools.org Room: 107

What We Will Learn

Our math classroom will focus on applying mathematical practices and concepts related to fractions, decimals, algebra, ratios and much more. This will involve the acquisition of knowledge, as well as questioning, organizing, explaining, modeling, being curious, collecting and analyzing data, and developing understandings.

Late & Make-up Work

Ms. Miller reserves the right to deal with specific late work and make-up work issues on a case by case basis. The general rules that will apply are as follows:

- If you are absent, it is **YOUR** responsibility collect the materials that you missed from the Absent File and our class notebook.
- If you were absent and do not understand something, please speak to Ms. Miller during lunch, during Advisor, before school, before class or after class.
- If you were absent 1 day, you will receive an additional day to complete the work. If you were absent 2 days, you will have 2 additional days to complete the work and so on.

Errors & Corrections

- If a student receives less than an 80% on an assignment, quiz or test, he/she is required to analyze the errors, make corrections and explain the errors.
- If a student is unhappy with a grade but earned an 80% or above, he/she is welcome and encouraged to analyze the errors, make corrections and explain the errors.
- For tests and quizzes, the original score and score after corrections/explanations will be averaged together for a final grade.

How to Stay Connected

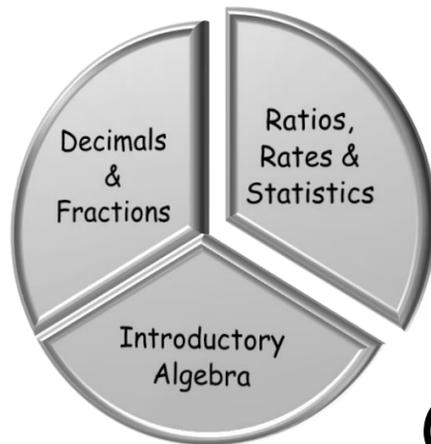

- Remind app- Make sure you are signed up to get text alerts. Both students and parents are encouraged to sign up (see the directions on the back).

Required Materials

Be Safe
Be Responsible
Be Respectful
Be a Learner

Units of Study

Grade Calculations:

- 25% Assignments
- 25% Work Habits
- 25% Quizzes
- 25% Tests

Would you like text or email reminders for math assignments?

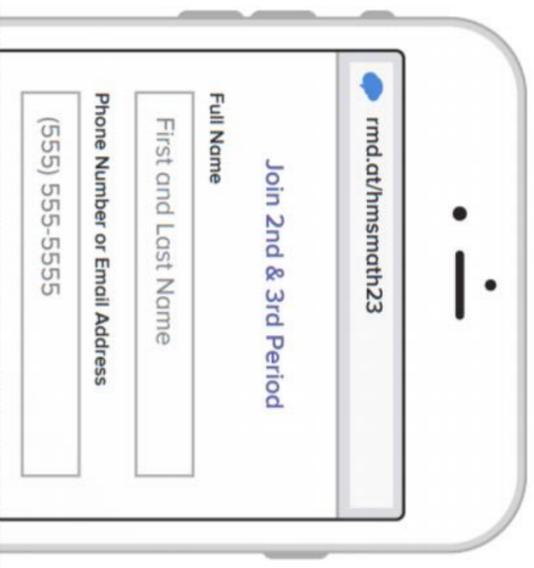

Pick a way to receive messages for 2nd & 3rd Period:

- A** If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

rmd.at/hmsmath23

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

- B** If you don't have a smartphone, get text notifications.

Text the message @hmsmath23 to the number 81010.

If you're having trouble with 81010, try texting @hmsmath23 to (406) 205-3011.

* Standard text message rates apply.

My name is Karla Miller, and I teach 6th grade math. Before teaching math, I taught 8th grade Science at HMS, 4 & 5th grade at Kessler Elementary and six years at STARBASE. I have also taught in Great Falls and in Oregon. I am passionate about my students' learning and getting to know each individual student. The first couple of weeks will be filled with activities that help us get to know each other, learn procedures and expectations, continue to build a growth mindset, and reviewing the academic foundation that was already laid through their previous years within Helena Schools. If you ever have any questions or concerns, please do not hesitate to contact me.

Schedule:

1st period: planning time

2nd -6th period: 6th grade Math

Advisor: 6th grade
