Project 13 Planning Form

Music Playlist

Creating the Right Atmosphere

Instructions

Complete this form with the information you will use to create your music playlist. You must include at least 20 playlist songs that best match the atmosphere and style of your restaurant. You must have at least three different genres, or music styles. When entering the Song Length, be sure to enter the time in hours, minutes, and seconds format (h:mm:ss). For example, if a song is 3 minutes and 35 seconds long, enter 0:03:35.
